

The Bluth Family Association
815-32nd Street
Ogden, Utah 84403

May 5th 1965

Dear Cousin, Relative and In-Laws:

The Bluth Family Association reunion will be held June 19th, 1965 at the Lorin Farr Park Arbor, Ogden, Utah from 11 AM to 8 PM.

Lorin Farr Park is located on the Ogden Canyon Road:

Luncheon will be at 11.30 AM, Bring your own lunch, you'll like it better. Soft drinks will be served.

An interesting program will follow the luncheon at 12.30 PM.

During the program a new Family By-laws will be adopted, in conformity with that recommended by the Church. A Board of Directors and Officers will also be elected.

A workshop and display will be conducted by Cousin Della Salnap. It should be most interesting. Come prepared to work with your family sheets if you can. Following the business phase, a short musical program and visiting will be enjoyed.

As you know, the General Authorities are placing great stress on doing Genealogical and Temple work NOW. They have a reason for this concern.

Experience has proved that the organized family approach is the best means for getting the most for our time and money in this great salvation undertaking.

At the reunion, we hope to develop a new method for resolving those problems that have hindered this family responsibility and work. We plan to gather and publish Bluth family data from time to time, which should be of great value to all, which can be placed in our individual Book of Remembrance.

To aid in our family projects please renew your family membership, which is \$2.50 annually. Mail or bring your dues to the reunion. We need your support.

Please plan to be in attendance, if at all possible, as we hope to make this reunion a most enjoyable and worthwhile get-together. Drop Della a note, and let us know of your intentions. DO*COME*YOU ALL.

Hoping to see you at the reunion.

Affectionately yours,

Caleb A. Shreve Sr, Pres.
Gordon Salnap, Vice Pres.
Della Salnap, Sect & Treas.
