

Ogden Won Two

Eureka Lost Out in Close Game Sunday.

Dad Gimlin's bunch of ball players with the timely assistance of Umpire Hestmark took Saturday's game from Eureka by a score of 10 to 6. The game was a ragged one and the attendance was poor less than 200 people buying tickets.

Chivrell was in the box for Eureka and considering the fact that it was his first appearance this season he pitched a good game. Errors were numerous and were not confined to either team. The Eureka players secured enough hits off the Ogden pitcher to have won the game had errors not been made at critical times.
